#### **6. EVENT ELIGIBILITY**

All entry times shall have been achieved in a sanctioned meet within a year since the last National Championships and can include times achieved in the previous National Championships, regardless of the one-year period.

Proof of entry times must be submitted to Bahamas Aquatics along with the entry where the entry times are achieved in a sanctioned swim meet outside of The Bahamas.

There is a limit on individual scoring events of 7 events; and all seven (7) best times will be counted for calculation of Age group Awards. All points will be counted for team points.

Notwithstanding swimmers may swim more than 7 events for official time purposes only, and any event over the 7 declared events will not count for medals, points, or any other award. **In the event of non-declaration of the 7 events that will count for points/awards in the original entry submitted to Bahamas Aquatics, the first 7 events will automatically count as the points/awards eligible events, regardless of any petitions made to the contrary after the entry deadline.**

Any Bahamas Aquatics registered coach who signs a National Championships Meet Entry Form or submits entries electronically thereby certifies (i) that all entry times stated therein are correct and true; and, (ii) that all competitors named therein are eligible to participate in a National Championship. As an example, if a swimmer participated in a meet sanctioned by USA Swimming or Barbados Swimming or Bahamas Aquatics during the 2021-2021 swim year and did not meet the National Swimming Championships Qualifying times, that swimmer can compete as a RELAY ONLY swimmer for Nationals. If the swimmer did not compete in any Bahamas Aquatics sanctioned or approved meet for the 2021-2021 swim year, the swimmer is ineligible to participate as a RELAY ONLY swimmer in the 2021 National Swimming Championships.
